We say goodbye to the magnificent home we have shared for the week & it's off to Heathrow we go.

And so it is xXx

So, why choose us?

'Travel is more than seeing the sites,
it's the unique change that happens when you realise there is
so much more to living

Since 2014 Wyld Tribe Travels have been offering unique, soulful and boutique
spiritual pilgrimages to Sacred Sites and places of power across
this great Mumma Earth.

Born out of Trace's deep desire to experience, remember and reawaken, she discovered
that regular 'tours' were not the experience that she was looking for.
Big groups, rushed visits, unaligned energies, no ceremony or reverence
and many, many 'extras' from the initial price!

'Our travel offerings are of a spiritual nature,
where we step into the place and feel along the timelines to the
magick, people and sacredness imbued in the land.

We become INSPIRED'.

As such, we offer as much as we can in the price exchange,
we source beautiful accommodations like
Castles in Scotland | converted barns in England | 5★cruises upon the Nile.

Country dependant, we always look for smaller, family-run properties.
We prefer small intimate groups so that you can be held, seen and become comfortable
with your travel companions on such a once-in-a-lifetime experience.

This Soul Journey is NOT for everyone.

There are ceremonies, meditations, energy transmissions, light codes and initiations
so if that doesn't sound like you, then this might not be the right trip !!

But if that makes your soul sing, then hop aboard beloved
there is magick to be experienced in our Return to Avalon, ENGLAND ...

Wyld Blessings, Trace & Larissa xXx
